COMPANY PROFILE

ETEILY TECHNOLOGIES INDIA

Your Best Electronic Components Sourcing!

Eteily Technologies is leading RF Solution provider for wireless infrastructure systems offering more than 1000 products holding Indian Government Approval, ISO9001 certification and complied with RoHS index with best-in class performance since 2017. Our product line covers Base station , External & Embedded Antenna Solutions.

We provide Cellular, GNSS, Wi-Fi, LoRa/ISM/IoT/Helium band Antennas. Our Antennas are of good coverage and higher throughput in the field ensuring good transmission and reception.

Apart from antennas, we are reputed suppliers of PCB Components, PCB Connectors, SIM & SD Card Connectors, Solar Products & Parts, Battery packs, EV Battery chargers and its accessories. We also provide RF Cable and Connectors fully customized to suit your applications.

With word-class design, consultancy and engineering expertise, along with sales support and advance testing, Eteily delivers all kinds of antenna solutions to market quickly and cost-effectively.

We have full capability to design and test all our RF products from Antenna to Cable assemblies. We offer very competitive pricing for our customers in order to deliver high quality products in a timely fashion. We are long term reliable suppliers serving more than 1 lakh happy ,satisfied customers globally with best solutions.

We promise to offer unique solution, exceeding your expectation with the support of our well recognised team.
